## About Me

Passionate CSE major with a keen interest in software development, research, and writing. Skilled in multiple programming languages and frameworks such as GOLANG, C++, JavaScript, React, and CSS. Proven track record of personal projects, open-source contributions, and academic research. Actively pursuing continuous learning through online courses and networking with industry professionals. Strong problem-solving and teamwork abilities. Thrives in coding competitions and hackathons. Seeking opportunities to contribute innovative ideas and growth mindset to a dynamic organization.

## Skills

Aa Name	≡ Description	# Skill Level	⌵ Type
<u>WebDevelopment</u>		70%	Software
<u>GOLANG</u>		70%	Software
<u>canva</u>		60%	Software

Aa Name	≡ Description	# Skill Level	📌 Type
<u>C++</u>		60%	Software
<u>Notion</u>		90%	Software

## Experience

---

## Education

### Degree

Jaypee University of Engineering and Technology .  
2022 - 2026

Bachelor of Science in Computer Science and  
Engineering

Relevant Coursework: Algorithms and Data  
Structures, Database Systems, Operating Systems,  
Software Engineering, Computer Networks,  
Artificial Intelligence

Through hands-on projects and practical  
assignments, I have honed my problem-solving  
skills and gained practical experience in  
designing and implementing software solutions.
